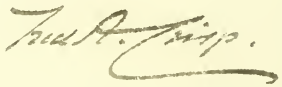
https://archive.org/details/calendarofwillsa00cris

*** *In consequence of the numerous errors and omissions in the official calendars of wills at Ipswich, I have had a corrected list compiled.*

It may be mentioned that in the period covered by this volume more than five hundred wills were entirely omitted.

In the hope that this may be of use to others, one hundred copies have been printed at my Private Press.

This copy is No. 12.



Grove Park, Denmark Hill,
London, S.E.
